

RELIEF WORK.

This work has all been voluntary. We started in the summer holidays, and now, in November, the work still goes on increasing. The School has been specially interested in the Red Cross hospitals at Rusholme, Didsbury, Fallowfield, and Urmston; we have sent garments, splints and bandages to all of these. Heaton Chapel, which is just opened, also has a special interest for us.

Rusholme has a house in Victoria Park. Miss Alice Chisholm has been doing voluntary nursing there, and some of our girls helped her with the cleaning during the holidays. The hospital at Fallowfield is just being started, and Lady Donner is Vice-President. The one at Didsbury has just been opened, and several of our old girls are working there. We
