

Adjutant E. M. Mumford being with his regiment (16th Service Bn. Lancashire Fusiliers) at Conway. Her chemistry teaching was therefore taken by Miss Kletz, an old Pendleton girl, while Miss Margaret Brown has been giving some general help with science. Miss Alice Chisholm has volunteered for full-time work as a Nurse, and has since Whitsuntide been serving in one or other of the Military Hospitals in the city. Miss Powicke has gone to France, and is working with the organisation of the Society of Friends to help the ruined peasantry, and Miss Bourne is spending her usual leave of absence during June-July in Y.M.C.A. work in France also.
